Arc of Westchester and Digiscribe Announce Document Scanning Agreement

eDocNY, Arc of Westchester's document scanning service, has a new home at Digiscribe

Elmsford, New York – March 21, 2017 – [Digiscribe International](#), provider of document scanning services, document management solutions, and workflow automation software throughout the New York tri-state area, has been chosen by [Arc of Westchester](#) (eDocNY) as their exclusive subcontractor for all scanning and scanning related services effective January 1, 2017. Under this agreement, Digiscribe will perform document scanning services to fulfill all contracts the eDocNY division of Arc of Westchester currently holds with government agencies and businesses in the New York tri-state area.

Many of Arc of Westchester's supported individuals with intellectual and developmental disabilities, who had previously been employed at eDocNY's scanning production facility, will be employed at Digiscribe in their same capacities.

Digiscribe President Mitch Taube stated, "We are proud to partner with Arc of Westchester and support this important organization's work in Westchester. Our production facility in Elmsford, NY has the technical infrastructure and processes in place to meet eDocNY's document scanning commitments with high quality results in a timely manner. We are thrilled to be able to provide employment opportunities to people with intellectual and developmental disabilities in Westchester while also supporting Arc of Westchester's general mission."

Arc of Westchester's Executive Director Richard P. Swierat said, "We are excited to be associated with Digiscribe as our employment plan for eDocNY continues to evolve providing valuable employment opportunities for people with developmental disabilities. This partnership creates a strong business platform to ensure employment and sustainability for eDocNY."
